Dear **5-S~W Crew**:

Ahoy there! Welcome aboard our fifth grade Crew at **Frog Pond Elementary School**! I hope you are enjoying your summer. I have been extremely busy preparing for your arrival in **Room 306** to sail into learning adventures. I am so happy that you have been assigned to our **5 S~W CREW**. This will be an exciting year of learning. **Our first day is Wednesday, 9/7.**

**Our fifth grade will be departmentalized.** Your teachers this year will be **Mr. Michael Schmidt** for Math and Science in Room **301** and **Mrs. Susan Worosz** for Reading, Writing, and Social Studies in Room **306**.

Please refer to [Mrs. Worosz's webpage](#) on our school district website for additional information, regarding supplies, Google Classroom codes, schedules, specials, and other topics. Hopefully, our 5W CREW website will provide you with some clear guidelines. If you have any questions/concerns, please email [Mrs. Worosz](#).

I look forward to seeing you on Wednesday, **September 7th, a full day**, as we sail into a year of new adventures. Please bring your positive attitude and be ready for a great year.
